**JOINT STATUS REPORT**

Per the Court's Order (Dkt. Nos. 186), the parties provide the following joint status report:

1. The parties propose that the deadline to complete fact discovery is February 28, 2023. This will allow the parties sufficient time to complete necessary fact investigation following the production of the grand jury materials and documents related to Labar Spann by the USAO on August 2, 2022, and to conduct depositions of the Plaintiff, three remaining Individual Defendants, third-parties Demetrius Harris and Steven McKinnie, and multiple other third-party witnesses (some of whom may be identified upon review of the documents received by the USAO). This deadline also accounts for counsel's competing schedules.

2. The parties have conferred about the remaining deposition scheduling of the parties, which include Plaintiff Fountain and Individual Defendant Officers Adamik, Garcia, and Gomez.

The parties have not yet agreed to dates for these depositions, but will agree to tentative dates for the remaining party depositions by September 2, 2022. The parties will also confer about third-party depositions after reviewing the materials produced by the USAO on August 2, 2022 (totaling approximately 250 pages), and will agree on a tentative schedule for the remaining depositions by September 30, 2022.

Respectfully submitted,
